

Tech For Teachers 2017/18

FUNDING OPPORTUNITY FOR COMPUTING EQUIPMENT & CPD AVAILABLE TO ALL PRIMARY SCHOOLS IN TYNE & WEAR AND NORTHUMBERLAND!

- The next generations **NEED** to be digitally savvy, not only using technology but learning how it works too
- Our mission is to provide **EVERY** teacher who needs help to confidently deliver coding with relevant support and skills
- We have now partnered with Make Stuff NE and the Platten Family Fund at the Community Foundation Tyne & Wear and Northumberland; to further support our superb teaching force in the North East
- We want both teachers and students to feel excited about learning these new skills, be creative **AND** most importantly **HAVE FUN!**

We have an amazing opportunity for your school to get up to £2000 worth of Raspberry Pi equipment PLUS A FULL DAY OF CPD (for one member of staff) ran by industry experts to learn how to use it*

Not sure what to buy? No worries, we have it covered - simply use your funding to buy our ready to use Raspberry Pi Kits which have everything you need to get you started. Our CPD session will be delivered based on all the cool and creative activities you can teach with your kit to really get your pupils inspired by technology and coding. We will also give you a resource pack and lesson plan to get you set up and ready to go!

ADDITIONAL CPD OPPORTUNITIES:

For only £40 pp (ex VAT) we are also running two hour express CPD sessions each month which will cover a range of Raspberry Pi activities along with suggested equipment you can buy to run the sessions yourself in class. You can sign up as many teachers as you want for these sessions and attend as many or as little as you choose across the academic year (subject to availability).

Our next session will be on **Tuesday 21st November** from 5-7pm. Get in touch with the Tech For Life team to book your place.

ALREADY RECEIVED A GRANT IN 2016/17?

Last academic year the Platten Family Fund at the Community Foundation Tyne & Wear and Northumberland supported 47 schools across Tyne and Wear with grant funding to receive Raspberry Pi equipment. If you were one of these schools this monthly CPD offer has been **FULLY FUNDED** for you! Don't miss out on your opportunity for industry-led training...
